Goldwater Scholarship On-Campus Deadline Extended  

Are you passionate about STEM research? Is your GPA a 3.7 or higher? The Goldwater Scholarship, which provides up to $5,000 of undergraduate funding, may be a great fit. The deadline for GT students to apply is December 8. To learn more about the scholarship and how you can receive feedback and support as you prepare your application, email Kathryn Meehan.

Spring 2017  
Phase II Registration  

January 5-13 at 4:00pm ET.

MSE Permit Requests: Please include the following with your request:

- Name
- Tech ID number
- Course name / number / CRN# / section number
- Request explanation

If you’ve received an error message when trying to register for a MSE class although you’re an MSE major it might be due to:

- Missing prerequisites
- Still showing as outside major (Change of Major form not processed)
- Overload error - the class is full
Explanation and instructions will be given once you’ve submitted your requests/inquiry to registration@mse.gatech.edu.

---

**Take SPAN2001 & SPAN2002 Abroad This Summer**

You can earn 6 hours of Humanities through SPAN 2001 and 2002 in 5 weeks in Spain. You can test into the program, so even freshman who have had Spanish in middle or high school (but not at Tech) can test into the 2000 level and go on the trip.

Mandatory MSE Ethics Requirement!
There is a mandatory Ethics requirement for the MSE degree. These course options are different than the GT Ethics course options shown in the GT catalog. SENIORS, please check your DegreeWorks page via Buzzport to see if you have met this requirement. If not, and you’re planning to graduate Spring 2017, you will need to pick up a course before the end of Phase II Registration (January 13, 2017).

The MSE Ethics course options are listed in your Degree Works page under Core Area “F” and are as follows: CS, 4001, 4002, PHIL 3105, PHIL 3109, PHIL 3127, PHIL 4176; HTS 1084, HTS 3032; INTA 2030; LCC 3318 or PUBP 3600.

Courses HTS 2084, HTS 3032, INTA 2030 & PUBP 3600 can be used to satisfy multiple requirements.

See social sciences course listing here.
Scroll to the bottom of page to see the color options to know how to choose your course(s).

See humanities course listing here.
Interested in undergraduate research?

- Create or update your resume
- Email your resume to Renita Washington and let her know you are interested in research - she will distribute it to the MSE faculty
- If you know who you'd like to work with, you can contact the faculty member directly. Faculty contact information.

Undergraduate Research Opportunities Program (UROP)
Ga Tech's structured and official process Undergraduate Research Program

*Undergraduate research is not limited to MSE.*
